

ENROLLMENT INFORMATION

Please read all the enrollment instructions carefully and fill out all paperwork completely.

Angel Land Preschool is a ministry of Cross Church NRH. The staff of Angel Land, with the support of CCNRH, seeks to partner with families of young children to provide a loving, Christ-centered educational environment that fosters and encourages growth cognitively, spiritually, physically, emotionally, and socially. Learning activities and events are established to promote an active understanding of the Word of God and the person of Jesus Christ. Education is approached through the developmentally appropriate curriculums of Frog Street Press, Handwriting without Tears, and Active Learning Series. Additional resources are used to enhance and expand the curriculum experiences as needed. Each week children, two years old and older, take part in Chapel, Music and library time (every other week). Infants and Toddlers participate in Music and in-room Chapel time. Special days and events occur throughout the school year to reinforce instruction. Our Friday classes participate in a Stretch-N-Grow fitness program and Spanish for the older students.

School Hours and Days: Tuesday and Thursday 8:45 am to 2:15 pm
Friday 8:45 am to 2:15 pm

Angel Land follows the Birdville ISD policies for inclement weather. A complete list of school holidays is included.

Lunches and Snacks: Children bring their own lunches with them each day. A daily snack is provided by Angel Land for the toddlers and older. Parents will supply all needed food for infants due to the large variation in feeding progressions.

Enrollment at Angel Land Preschool is accepted without regard to race or religion. Enrollment will be open to any child, provided that the school can meet the needs of that child. Each child will be placed in a class, by the Director, based on the child's age as of September 1st.

Each class participates in a rest time. No child is required to sleep, but all are encouraged to rest quietly for an age appropriate amount of time, which follows the guidelines for care set forth by State licensing. Children ages 18 months and older should bring a nap mat labeled with their name. Those under 18 months will sleep in individual cribs provided by the preschool.
